WHY LIST \$NACHO

Nacho's explosive growth and market performance make it a valuable listing for exchanges looking to drive new user engagement and trading activity. With its strong market cap, active community of over 30,000 members, and proven demand—minting out its full supply in under 24 hours—Nacho offers significant trading volume potential. As the #1 token on Kaspas, Nacho provides exchanges a first-mover advantage in integrating the KRC20 token standard, tapping into a rapidly expanding ecosystem of over 500+ Tokens.
